Limitless EX/11/1-V-2/07-2026

A high-angle, close-up photograph of a wooden surface, possibly a table or desk, covered with various material samples and spheres. The samples include a green sphere, a tan sphere, a white sphere, and a yellow sphere, each resting on a different material. The materials include a light-colored wood grain, a dark wood grain, a light-colored stone or concrete texture, a dark blue or black textured surface, a light-colored textured surface, and a dark green textured surface. The lighting is warm and directional, creating soft shadows and highlighting the textures of the materials and spheres.

LIMITLESS

POSSIBILITIES

Step into a limitless world where designs ignite, surfaces come to life, and every texture whispers a story. Limitless is not just a word - it's the core of our philosophy. It represents the freedom to create without constraints, to explore every possibility, and to transform spaces into reflections of your vision.

Limitless Textures | Limitless Products | Limitless Designs

LIMITLESS TEXTURES

Explore every tactile nuance and realize your unique spatial narratives. Let your imagination find its perfect expression within our endless textural landscape.

LINEA WOOD (LW)

Combines modern fluted sophistication with the timeless elegance of traditional timber. A versatile choice that bridges classic warmth with modern minimalism.

LUXE (LX)

A high-fashion texture that exudes luxury and style, bringing a contemporary edge to interiors.

90mm x 70mm

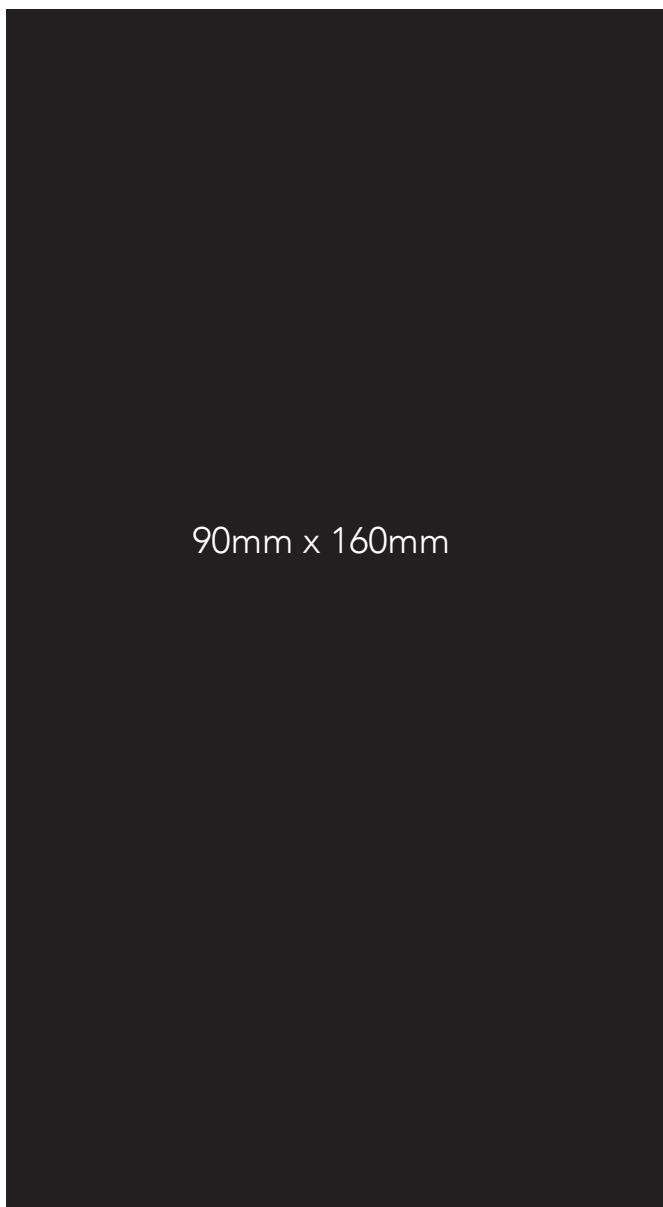

FINEWOOD (FNW)

A rich blend of natural elegance and expert craftsmanship, this texture adds depth and warmth, creating an organic atmosphere.

PINE SYNC (PSC)

A perfect match to the Mountain Pine, mimics a sandblasted, 3D looking, rustic pine wood.

90mm x 160mm

OAK SYNC (OSC)

Timeless beauty meets modern precision. Synchronised texture highlights the splendor of oak wood.

NOCE SYNC (NSC)

Reflects the authenticity and boldness of real walnut, echoing nature's quiet rhythm.

FEATHER TOUCH (FT)

Non-reflective super smooth surface for a dead matt look.

MOONSCAPE (MNS)

With its rugged, stone-like surface, this texture offers a warm, earthy feel that complements bold materials like concrete and slate.

SLANT (SLT)

A bold tonal texture that brings dynamism and commands attention. Perfect for statement walls and standout furniture pieces.

60mm x 70mm

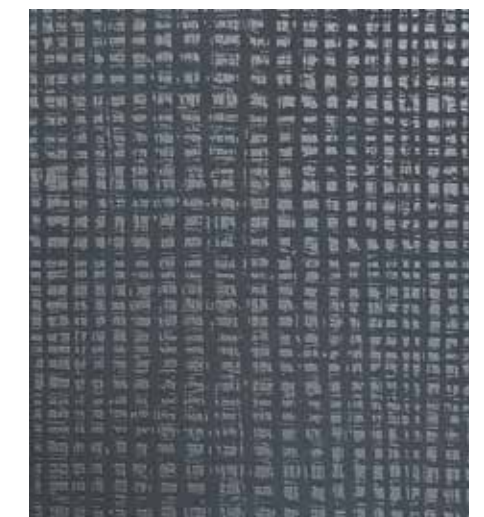

VENTEX (VTX)

A celebration of wood's natural beauty, this texture brings authenticity to any space, with an organic, grounded feel.

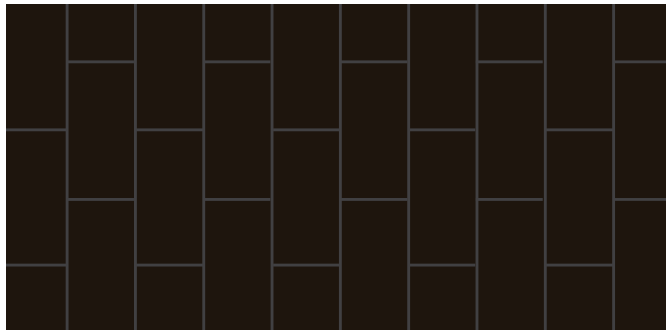

FLUTED (FLT)

Echoing the timeless beauty of classical architecture, this design introduces sophistication and dimension, merging tradition with contemporary flair.

WOVEN (WVN)

Featuring a dual-gloss finish and tactile surface, this textured fabric look exudes timeless appeal, perfect for a variety of settings.

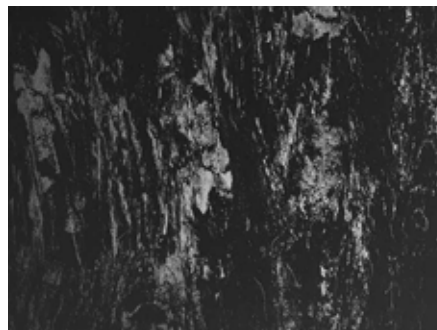

LATITUDE (LA)
Matching the imagery of bricks or tiles in a smooth high gloss finish, Latitude has vertical lines for enhanced height perception.

LONGITUDE (LO)
A high gloss finish with horizontal lines for a limitless space feel, Longitude offers the classic look of bricks and tiles.

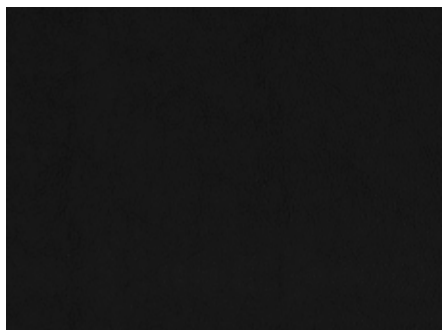

BARK (BRK)
Bark finish is inspired by outermost layers of stems and roots of woody plants.

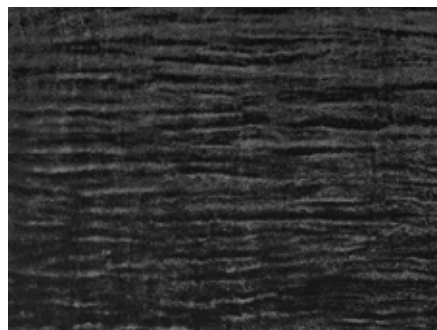

CEMENT (CMT)
Rustic-effect inspired by concrete walls.

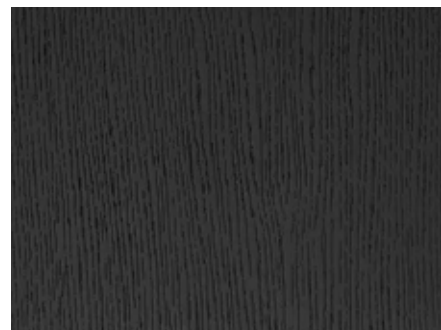

CHIMERA (CMR)
The impression created by the Chimera fire.

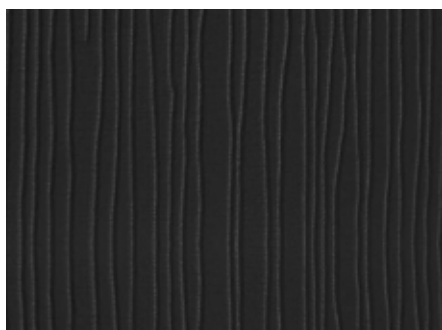

CLASSIC LEATHER (CLR)
Elegant finish that resembles the textures of man-made leather.

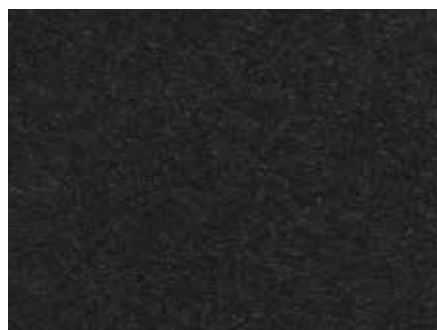

CROSSFIRE (CFR)
Artistic representation of gunfire from two or more directions.

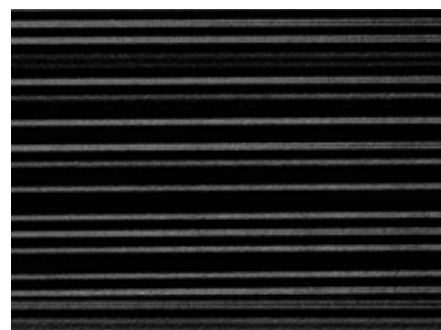

DRIZZLE (DZL)
Progressive dash-like structure to imitate the effect of raindrops on a window.

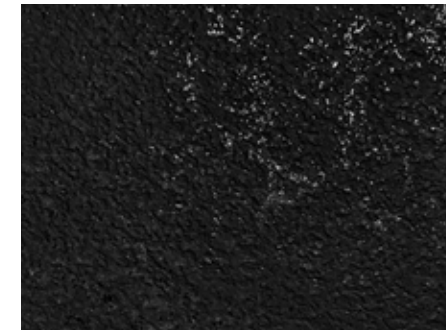

FABRIC (FB)
Comprises of ripples that imitate the soft movement of fabric.

FEATHER TOUCH (FT)
Non-reflective super smooth surface for a dead matt look.

FLICKER (FK)
Horizontal ripples to emulate the effect of light flickering.

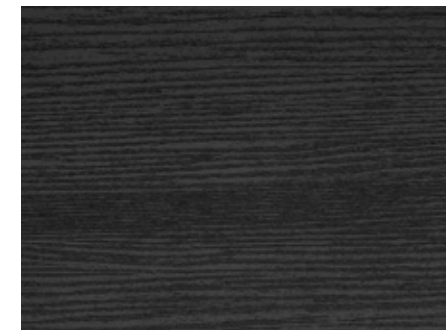

GALACTIC (GLT)
Hints of gloss juxtaposed with a super matte finish.

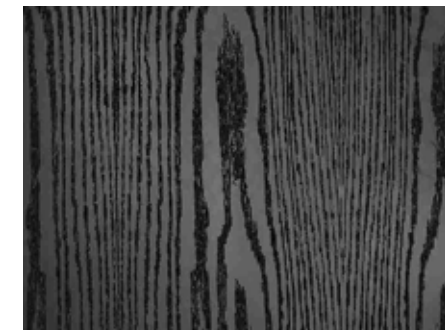

GRAINS (GRN)
Features micro-dots to reproduce the texture of grains.

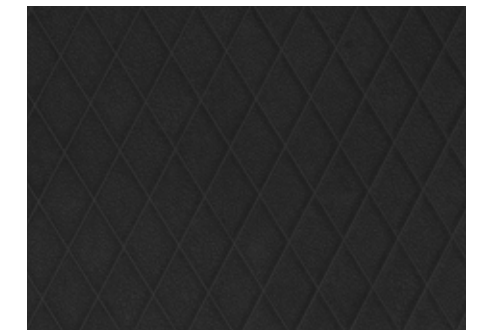

HI GLOSS (HGL)
Highly reflective surface that gives a shiny look.

HORIZON (HRZ)
Horizontal strokes of wood grain.

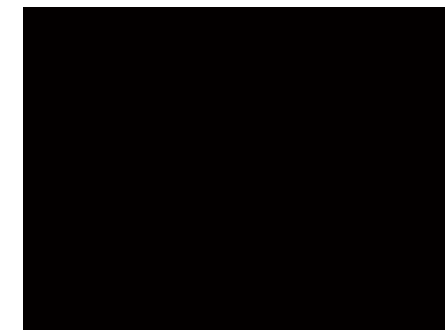

IMPRESSION (IMP)
Authentic impressions of the bark of a tree.

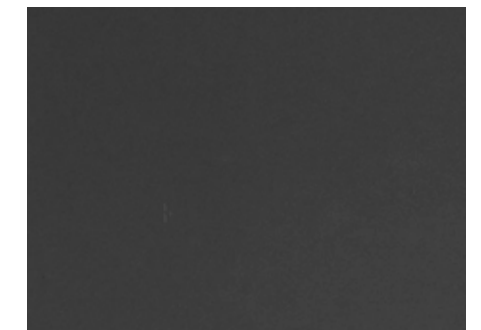

JEWEL (JW)
Jewel is inspired from typically a single crystal structure cut into shape with flat facets.

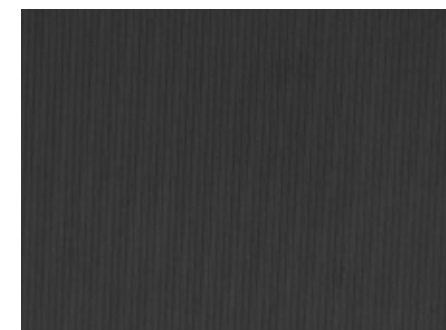

LINEN (LNN)
Soft-smooth movements to mimic the movement of linen.

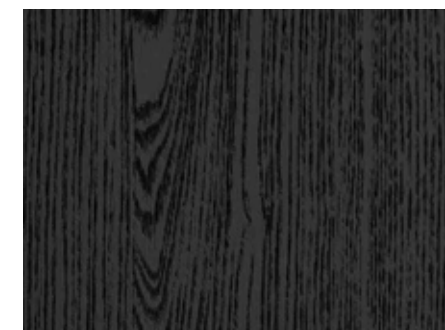

LUVIH (LV)
Haute-Matt surface for an opaque look.

MATT (MT)
Non-reflective surface for an opaque look.

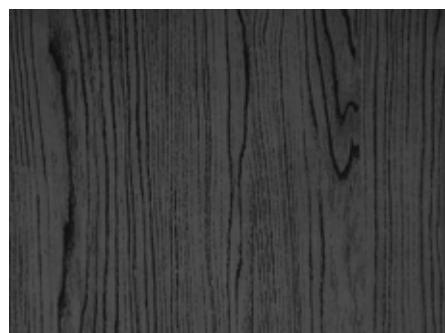

MICROLINE (ML)
Fine lines that feature very little gaps.

MONTE (MNT)
Replicates the rich colours and patterns characteristic of the walnut tree.

OPAL (OPL)
Borrows inspiration from the unique finish of melted glass.

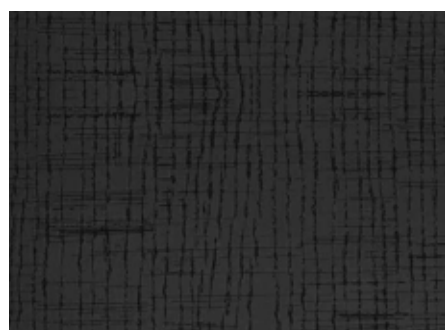

PARISH (PRH)
Comprises of asymmetrical waves to give the impression of rustic wood.

PEBBLE TOUCH (PT)
Ultra-Smooth & natural finish with near to zero light reflectivity.

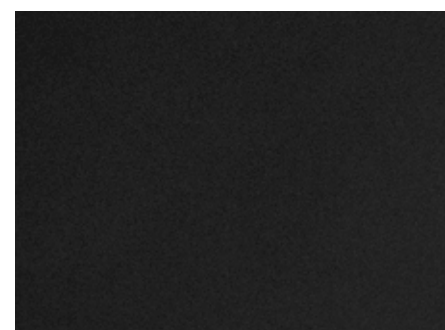

SANDSTONE (SV)
Linear representation of ripples created in water.

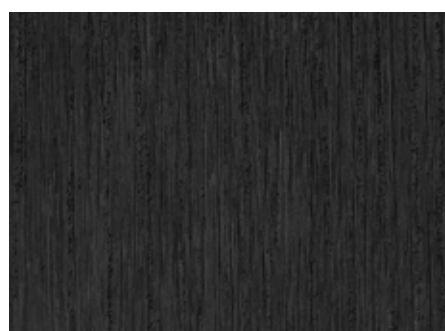

SAWCUT (SCT)
Duplicates the impression of a wood-bark cut by a saw.

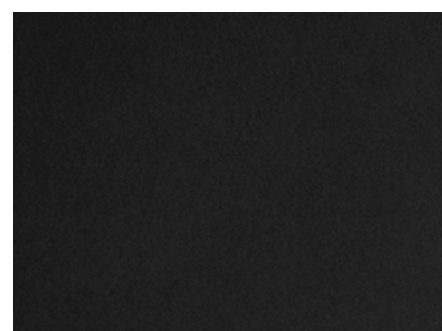

STREAK (STK)
A linear finish that reproduces the formation of straight wood.

SUEDE (SF)
Matte texture with a soft-touch similar to the suede fabric.

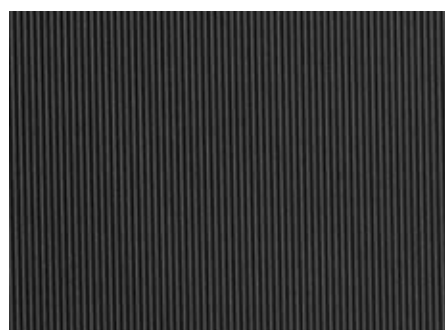

VALLEY (VLY)
Wooden finish that features full-crowns of wood.

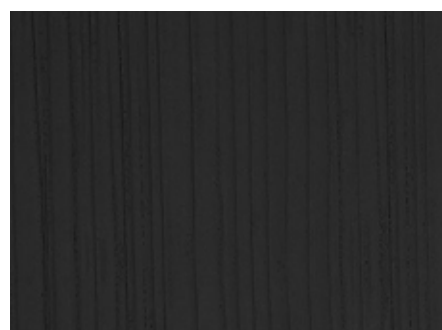

VENEER (VNR)
Replicates the natural finish of woodgrain.

VENZA (VNZ)
Natural finish that comprises of half-crowned patterns of wood.

VERTILINE (VL)
A multitude of fine vertical lines.

WAVE (WV)
Free-flowing patterns to resemble the movement of waves.

WHITNEY (WTN)
Strokes that replicate the effect of a paintbrush.

Performance Laminates

Anti-Bacterial (AB+) laminates are designed to adorn surfaces that require supreme hygiene and performance. Usage of special additives inhibits growth and spread of bacteria by 99.99% within 24 Hours. The surface not only fights against microbes but is also homogeneous and non-porous, making it exceptional in performance and hygiene.

- **ANTI BACTERIAL**
- **SCRATCH RESISTANT**
- **IMPACT RESISTANT**

Fire Retardant (FR+) is a special type of laminate which is halogen free in the category of fire-retardant laminates. As per ASTM standards, its performance belongs to Class 1 grade, making it an exclusive laminate resistant to fire. With suitable substrates and adhesives, FR+ can help prevent casualties and damage caused due to fire hazard.

- **LOW SPREAD OF FLAME**
- **HALOGEN FREE (NON-TOXIC)**
- **SELF-EXTINGUISHABLE**

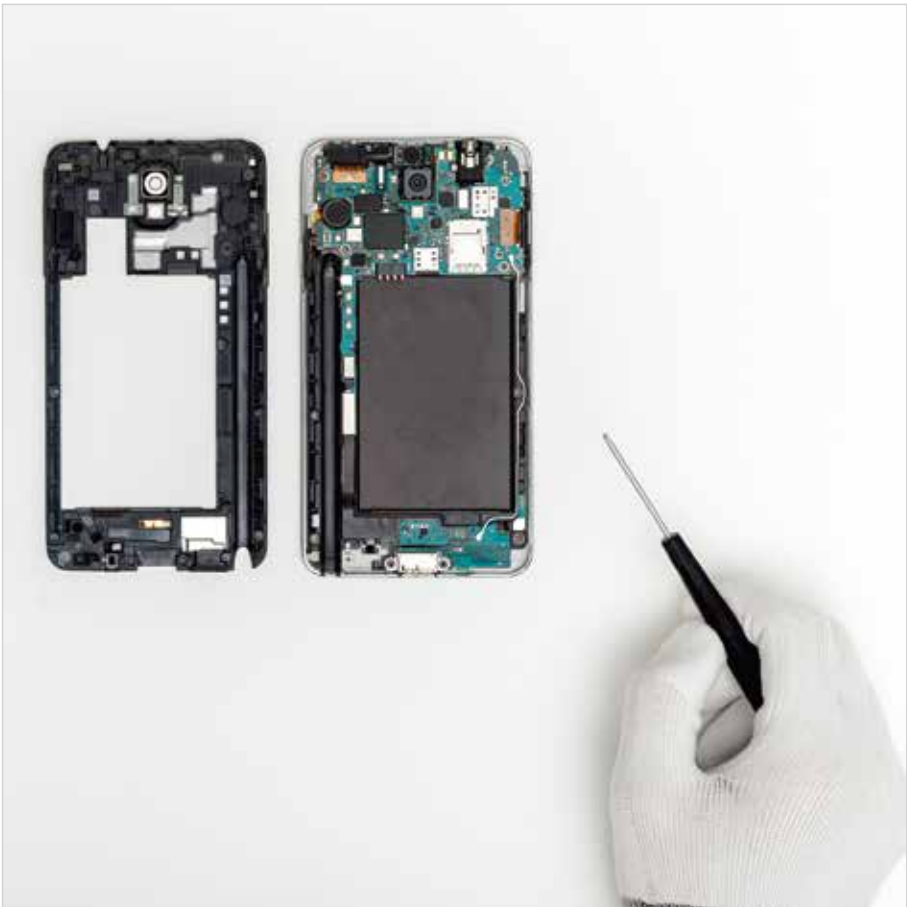

Chemical Resistant (Chem+) is a specially manufactured range of laminates composed of Electron Beam cured decor paper to withstand harsh chemicals like acids, alkalis and reagents. The superior resistance to chemicals makes them durable and suitable to be used in laboratories.

- **HIGHLY CHEMICAL RESISTANT**
- **SEFA 3.0 CHEMICAL SPOT TEST(24 HRS.)**
- **STAIN RESISTANT**

ESD+

Electrostatic Dissipative (ESD+) range of laminates has top layer with antistatic properties. The special conductive layer guarantees safe discharge of static charges when used with appropriate earthing. This helps to reduce damage to internal circuits; leading to an increase in the productivity of electrical equipment.

- **ELECTROSTATIC DISSIPATIVE**
- **REDUCED DAMAGE TO INTERNAL CIRCUITS**
- **DUST REPELLENT**

LIMITLESS DESIGNS

Enter a new era of limitless design expression. Inspired by the boundless beauty of nature and the evocative power of art, these exquisite designs offer unparalleled creative freedom. Craft environments that breathe with inspiration and reflect your unique artistic vision.

Making the
future sustainable

Planting

10 Million

saplings every year.

Merino takes pride in its commitment to **sustainable wood sourcing through an expansive agroforestry initiative.**

This includes:

1. Largest Contract Farming Network:

- Over 15000+ acres of dedicated farmland contribute to the cultivation of premium eucalyptus wood.
- A rapidly renewable resource harvestable every three years.

This extensive network ensures a continuous, sustainable supply while minimizing environmental impact.

2. Quality through Fair Trade Practices:

- Highest quality sourcing through fair trade practices.
- Supporting farmers by imparting knowledge on enhancing crop yield and selecting economically beneficial crops.
- Merino provided high-yielding, healthy clonal saplings at a reasonable market price, coupled with free technical guidance, buyback assurance, direct purchase orders in the farmer's name, timely unloading of goods, and immediate release of payment.

This not only supports the local community but also guarantees a consistent supply of top-tier raw materials for Harmony MFC.

About Merino

Welcome to the home of Laminates, welcome to Merino. From a humble beginning in 1967 to the launch of plywood and laminates and subsequently furniture solutions, the Merino Group has come a long way. Today, the group is one of world's largest manufacturers of decorative surfaces introducing new products, categories and businesses based on market demand with top-of-the-line raw materials, integrating state of the art production and technology. The Group has diverse business interests that expand from Interior and Architectural products to Information Technology to Food & Agro products. With its presence in over 83 countries that span across the 6 continents, The Merino Group has an annual turnover of over 270 Million USD. Driven by the inherent value of constant innovation, Merino offers a diverse bouquet of multiple surfaces with infinite design possibilities that showcases its world class manufacturing prowess. The ever growing network of stakeholders corroborates the group's eminence and indicates a promising future for years to come.

Our Vision

Our business is built on the steady pillars of a globally relevant mission, a far-reaching vision and, a strong three-pronged motto

- Our Vision : Global competence & global competitiveness in every line of business by synergizing western work culture & Indian ethos.
- Our Mission : Universal weal through trade & industry
- Our Motto : Economy | Excellence | Ethics
- Excellence is
- Economic, when founded on work ethics
 - Sustainable, when nourished by moral ethics
- Our Inspiration : "Arise, awake and stop not till the goal is reached" - Swami Vivekananda

Certificates and Accreditations

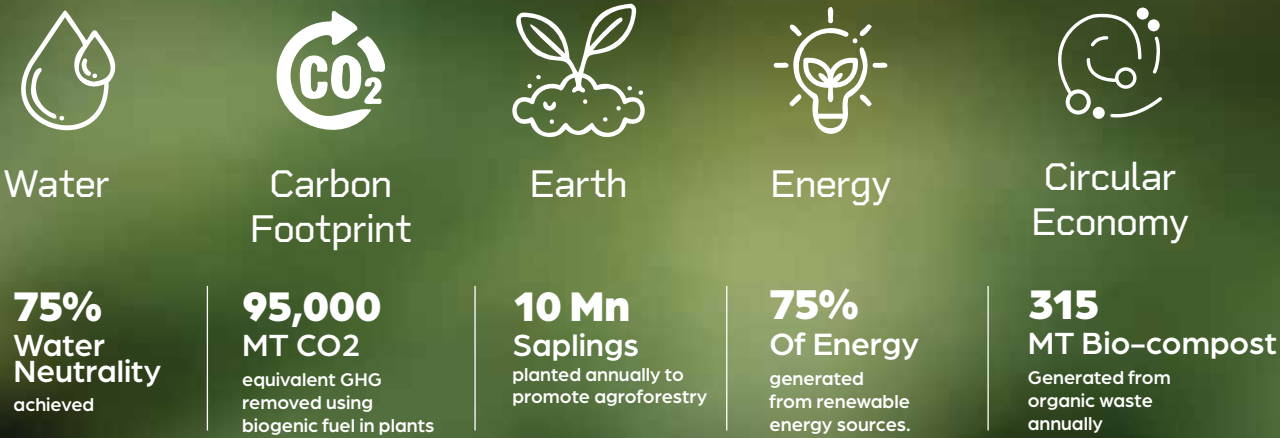

* Products are available as FSC® certified upon request

Rooted to the Planet

At Merino, we understand the importance of social responsibility. Our committed CSR policy focuses on various initiatives for the betterment of the environment and the society. Our role as an organization to ensure upliftment of both - our world and its people, is vital to the ethics we hold as an organization.

Terms & Conditions Apply.
For further details visit: www.merinolaminates.com/lifetime-warranty.html
or you can also write to us at merinodelhi@merinoindia.com

Disclaimer: Prices vary with respect to type, finish, thickness, size and color. Please consult with our Authorized Distributors/Dealers or Merino representatives for product pricing. Advance notice of intended discontinued items will be made known to our regular customers. Our company shall not be held liable for any consequences resulting from disruption of supply. High Pressure Laminates are meant for indoor use unless they are of specified exterior grade. Avoid using Interior grade products on areas exposed to direct sunlight or light reflective areas. Images shown are for representative purpose only. Actual products may vary.

Limited Warranty: Merino Industries Ltd. warrant that, under normal use and services, the material and workmanship of their products shall confirm to the standards set forth on the applicable technical data sheet for a period of twelve (12) months from the date of sale to the first consumer purchaser. Dealers and distributors are provided with the technical data sheets, which contain specific standards of performance for the products. In the event that a Merino Industries Ltd. product does not perform as warranted, the first purchaser’s sole remedy shall be limited to repair or replacement of all or any part of the product, which is defective, at the manufacture’s sole discretion. This warranty is not transferable, and expires upon resale or transfer by first consumer purchaser. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper storage or handling, improper fabrication or installation, improper maintenance. No other warranties, expressed or implied are made. Under no circumstances shall the manufacturer be liable for any loss or damage arising from the purchase, use or inability to use this product or for any special, indirect, incidental or consequential damages. No fabricator, installer, dealer, agent or employee of Merino Industries Ltd. has the authority to modify the obligation or limitation of the warranty.

"Image shown are for reference. Actual product may vary"

Disclaimer : Prices vary with respect to type, finish, thickness, size and color. Please consult with out branches/dealers/factories before quoting. Advance notice of intended discontinued items will be made known to our regular customers. Our company shall not be held liable for any consequences resulted from disruption of supply.

High Pressure Laminates are meant for indoor use unless they are of exterior grade that are strictly on indent basis only. Avoid using on areas exposed to direct sunshine or light reflective areas.

Limited Warranty. Merino Industries Ltd. warrant that, under normal use and services, the material and workmanship of their products shall confirm to the standards set forth on the applicable technical data sheet for a period of twelve (12) months from the data of sale to the first consumer purchaser. Dealers and distributors are provided with the technical data sheets, which contain specific standards of performance for the products. In the event that a Merino Industries Ltd. product does not perform as warranted, the first purchaser's sole remedy shall be limited to repair or replacement of all or any part of the product, which is defective, at the manufacture's sole discretion. This warranty is not transferable, and expires upon resale or transfer by first consumer purchaser. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper fabrication or installation, improper maintenance. No other warranties, expressed or implied are made. Under no circumstances shall the manufacturer be liable for any loss or damage arising from the purchase, use or inability to use this product or for any special,. indirect, incidental or consequential damages. No fabricator, installer, dealer, agent or employee or Merino Industries Ltd. has the authority to modify the obligation or limitation of the warranty.
